

Amateur Archivist

Mitchell Hang

Objective

I am a team-centered individual who is highly self-motivated, a quick learner, can adapt to enjoy working with old media formats especially in converting VHS videotapes to digital format, in addition to other interests related to broadcasting. I am eager to learn at every available opportunity.

Experience

Spring 2020 - Current

Disc Jockey *WMUC Radio*

- Hosted a radio show dedicated to playing Japanese city pop music
- Logged playlists for each show while also managing equipment in the studio
- Volunteered for several campus events as a disc jockey

Circa 2018 – May 2019

Anchorman *JAG-TV*

- Appeared on camera for the high school's morning announcements show
- Regularly attended meetings to work out production schedules
- Did occasional behind-the-scenes work, (e.g., working the soundboard, editing intros)

Circa 2018 – 2019

Tutor *George B. Thomas. Sr. Learning Academy, Inc.*

- Helped younger kids (i.e., elementary school) with work taught in Saturday School
- Regularly logged tutoring hours to earn credit for high school graduation

Circa 2017 – 2019

National Honor Society *Northwest High School*

- Performed extracurricular volunteer work in exchange for Student Service Learning (SSL) hours
- Maintained good academic standing to receive certification (Honor Roll)

Education

August 2016 – May 2019

High School Diploma

Northwest High School
Germantown, MD

August 2019 – Current

Philip Merrill College of Journalism

University of Maryland
College Park, MD

Skills

- Video editing (Adobe Premiere Pro, VEGAS Pro, DaVinci Resolve)
- Photo editing (Adobe Photoshop)
- Photography (digital and analog) and videography
- Digitizing VHS tapes, audiocassettes and LaserDiscs

Fun Facts

- I have Asperger's.
- I have been playing the piano since 2010, and I have played in recitals and charity events.
- A digital art piece I made in high school was displayed at BWI Airport.
- A meme I made using VHS tapes was featured in a museum in New York.
